LOGISTIEK

E-COMMERCE LOGISTICS

PART OF THE LARGEST PLAYERS IN THE NETHERLANDS

“Active Ants wants to be one of the most sustainable e-commerce logistics company in Europe. We think the JIVARO Print machine can help us with that.”

Jeroen DEKKER
Founder Active Ants

TARGETS

Improve the customer journey with customized packages

Offer more sustainability and better rates to our customers

Reduce the cost of packaging

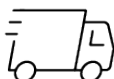

RESULTS

Eco-friendly processes: no wedging material needed

Added value to the business model of our customers by printing their packages

Less volume shipped per package so a better negotiating capacity with the last mile carriers
